Mass Intentions, Readings, Saints

If you remember about one year ago this time we were talking about the World Synod on the family. Last year was an 'extraordinary synod' which meant it was an additional meeting to further the discussion for this coming years synod. The World Synod on the Family was called for by Pope Francis as he is looking at particular ways the Church accompanies the family in the modern world. This year's Synod convenes this week and there will be much news coverage on the hot topics like communion for the divorced and remarried without an annulment of the previous marriage. There will be coverage on how to accompany those with same-sex attraction both in the Church and our own families. I am sure other topics will flare up. The synod will conclude near the end of October and so in that time there will be a furthering of dialogue among Pope Francis, the bishops who will be attending, and numerous lay Catholic's in the Church who will be a part of the conversation and dialogue. It is somewhat impossible to speculate on exactly how the Holy Spirit will work through these people and what direction they will point the Church. This is where we keep ourselves grounded in what is perennial: Each person is created in God's image and likeness and so is endowed with dignity. Each family is a gift from God and is worth fighting to keep together and united. Each individual as well as child who has suffered the pain of divorce still has a place in the Church and deserves our prayerful accompaniment in their trial. Each person who is same-sex attracted has a place in the Church, is called to live a chaste life like everyone else, and should never be discriminated against or treated differently. These things will not change.

Family life is a most sacred gift that needs to be treated with reverence. Family is so important and not just because they are always there for one another but even more this signifies the base of society. It is where virtue is built, faith is handed on, and love is shared. Family life is worth fighting for and the efforts we make to keep it strong are essential to happiness for our children. I would like to say thank you to these communities for this being the case. We are family-oriented in Mapleton, Amboy, Good Thunder, & Vernon Center. Let's pray this week to keep our families strong and then let's work to put into practice those family values by loving and caring for those around us.

October 7- Feast of the Our Lady of the Rosary

Pray the rosary for victory over the dangers of this world.

The purpose of the rosary is to help us meditate on the great mysteries of our salvation. Pius XII called it a compendium of the gospel. The main focus is on Jesus—his birth, life, death and resurrection. The Our Fathers remind us that Jesus' Father is the initiator of salvation. The Hail Marys remind us to join with Mary in contemplating these mysteries. They also make us aware that Mary was and is intimately joined with her Son in all the mysteries of his earthly and heavenly existence. The Glory Bes remind us that the purpose of all life is the glory of the Trinity.

The rosary appeals to many. It is simple. The constant repetition of words helps create an atmosphere in which to contemplate the mysteries of God. We sense that Jesus and Mary are with us in the joys and sorrows of life. We grow in hope that God will bring us to share in the glory of Jesus and Mary forever.
