From the Heart by Fr. Jason Kern

I read a wonderful article this week about the “dictatorship of noise” in our culture. The author of the article is Cardinal Robert Sarah and he was giving an interview about his new book called [The Strength of Silence: Against the Dictatorship of Noise](#). Cardinal Sarah speaks of the need to rediscover the true order of priorities and to “put God back at the center of our concerns, at the center of our actions and of our life: the only place that He should occupy.” Cardinal Sarah identifies that “God’s first language is silence.” The Cardinal continues by identifying our need to rediscover the sense of God, the Church does not need “an administrative reform, another pastoral program, a structural change. The program already exists: it is the one we have always had, drawn from the Gospel and from living Tradition. It is centered on Christ Himself, whom we must know, love and imitate in order to live in Him and through Him, to transform our world which is being degraded because human beings live as though God did not exist. As a priest, as a pastor, as a Prefect, as a Cardinal, my priority is to say that God alone can satisfy the human heart.” While this quote brings out the reality of our need for God, Cardinal Sarah points out further how the culture wars against God as our priority. “I think that we are the victims of superficiality, selfishness, and worldly spirit that are spread by our media-driven society. We get lost in struggles for influence, in conflicts between persons, in a narcissistic, vain activism. We swell with pride and pretension, prisoners of a will to power. For the sake of titles, professional or ecclesiastical duties, we accept vile compromises. But all that passes away like smoke... I want[ed] to invite Christians and people of good will to enter into silence; without it, we are an illusion. The only reality that deserves our attention is God Himself, and God is silent. He waits for our silence to reveal Himself.” “Silence is not an idea; it is the path that enables human beings to go to God.

God is silence, and the devil is noisy. From the beginning, Satan has sought to mask his lies beneath a deceptive, resonant agitation. The Christian owes it to himself not to be of the world. It is up to him to turn away from the noises of the world, from its rumors that run headlong in order to turn better toward what is essential: God.

Our busy, ultra-technological age has made us even sicker. Noise has become like a drug on which our contemporaries are dependent. With its festive appearance, noise is a whirlwind that avoids looking oneself in the face and confronting the interior emptiness. It is a diabolical lie. The awakening can only be brutal.

I am not afraid to call on all people of good will to enlist in a form of resistance. What will become of our world if it cannot find oases of silence?

In the turbulent floods of easy, hollow words, keeping silent assumes the appearance of weakness. In the modern world, the silent man becomes someone who does not know how to defend himself. He is a “subhuman” with respect to the self-proclaimed strong man who crushes and drowns the other in the floods of his talk. The silent man is one man too many.

This is the deep reason for modern men’s disdain and hatred of silent beings, for their abominable crimes against unborn children, the sick, or persons at the end of life. These human beings are the magnificent prophets of silence. With them, I am not afraid to declare that the priests of modernity, who declare a sort of war on silence, have lost the battle. For we can remain silent in the midst of the biggest hodgepodge, despicable disturbances, in the midst of the din and shouting of those infernal machines that invite us to activism by snatching any transcendent dimension and any interior life away from us.”

Our Lady of Fatima Pilgrim Statue: In celebration of the upcoming 100th anniversary of the apparitions of Our Lady of Fatima, the Diocese of Winona welcomes the world famous International Pilgrim Virgin Mary Statue which has been traveling worldwide for nearly 70 years. Pope Pius XII blessed the statue and imparted a special blessing on the work of the Pilgrim Tours. Many miracles and graces are reported wherever the statue travels. On more than 30 occasions the statue was reported to shed tears. The Pilgrim Virgin Mary statue will be at St. Francis of Assisi Church on Tuesday, October 25.

If you are interested in going to take part in this historic occasion, please contact the tri-parish office, 524-3127. The first option will leave St. Teresa at 10 a.m. and be at St. Francis Church for rosary, a lecture, adoration and veneration of the Pilgrim Statue. We will return by 5:30 p.m. The second option is leaving at 1 p.m. and attending adoration, veneration, a lecture and Holy Mass. We would return about 9 p.m.

October is the Month of the Rosary. Since the prayers of the Rosary come from such excellent sources — from Our Lord Himself, from inspired Scripture, and from the Church — it is not surprising that the Rosary is so dear to our Blessed Mother and so powerful with heaven.

Take time to pray this beautiful prayer this October. There are several opportunities in the tri-parish:

Each Tuesday at St. Joseph at 8:30 a.m.

Each Wednesday at St. Teresa at 4:15 p.m.

During October the Rosary will be recited before each week-end Mass.

St. Teresa CCW: If you have not yet paid dues for this year, please do so soon. Forms are available at church or in the tri-parish office. Thank you, we look forward to a great year.
